### DOGS TRUST UK

David Newell from Dogs Trust  
recently emailed the following:

Hello everyone!

“Dogs Trust has decided, for now,  
to pursue a project on Malta, rather  
than on either Crete or Corfu. To  
some of you this will not come as a  
huge surprise, to others it will, but  
I wanted to really thank every one  
of you who bent over backwards to  
help me in my work. The kindness  
and hospitality that all of you  
showed me was outstanding and to  
all of you, I thank you. Dogs Trust  
is very keen to continue working  
overseas and I very much hope that  
they will consider my reports on  
Crete and Corfu when they look  
again”.
