ARIS STORY

At just 2½ months of age, you wouldn't think he had much of a story, but Aris has an old fracture of the left thigh bone, several old fractures of the pelvis and recently the sacrum was pushed into his vertebral column. Without the help of **Förderverein Arche Noah Kreta e.V.** and their vet **Ines** we would be lost with cases like these. Thank-you again from F.A.R.

WHEN WILL THE TOURIST INDUSTRY FINALLY UNDERSTAND?

Knowing how animal welfare effects tourism, some hotels try to be supportive and F.A.R would like to especially thank the following: Ibiscos, Ilios, Steris, Pearl Beach, Minos Mare and El Greco, but also to express our **disappointment in the Atlantis Hotel** for declining to financially help, despite us having the cats from their premises neutered after a plea for help from many of their guests.

HARD WORK BUT WORTH IT

For our most recent neutering event, F.A.R. together with Cretan Cat-A-List were able to neuter over 200 stray animals, meaning a lot less newborn puppies and kittens found in the dustbins.

WORLD ANIMAL DAY

On Friday 3rd October, together with our friendly dog, F.A.R gave a short presentation to the children of the 2nd Primary School explaining the basic needs of any animal.

And for F.A.R. together with information tables Hall. The day was handed out leaflets to concerning “Responsible Ownership”, “Taking Care of your Dog”, “Neutering” and information about our “Subsidized Neutering Programme”.

RSPCA EDUCATION

WORKSHOP

Held 17+18 October, the RSPCA education workshop proved to be a huge success with very positive feedback from the teachers who took part. F.A.R. would like to thank the RSPCA team for making this workshop happen and we look forward to seeing the work carried over into the classrooms.
